Independent Auditor's Report

We have audited the accompanying statement of financial position of **SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION** as of June 30, 2000, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the **FOUNDATION's** management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION** as of June 30, 2000, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued a report dated October 25, 2000, on our consideration of **SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION's** internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**SOUTHEASTERN LOUISIANA AREA HEALTH  
EDUCATION CENTER FOUNDATION  
NOTES TO FINANCIAL STATEMENTS**

**NOTE A**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**ORGANIZATION**

**SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION ("SELAHEC")** is a Louisiana nonprofit organization chartered on June 22, 1989. Its purpose is to operate an area health education center in Southeastern Louisiana in order to plan for additional clinical educational opportunities in rural and underserved communities.

**FEDERAL INCOME TAXES**

**SELAHEC** is exempt from Federal Income Tax as an organization described in Section 501(c)(3) of the Internal Revenue Code.

**BASIS OF ACCOUNTING**

**SELAHEC** prepares its financial statements in accordance with generally accepted accounting principles, involving the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

**BASIS OF PRESENTATION**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**CONTRIBUTIONS**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Contributions of fixed assets with a fair market value of \$27,000 were received during the year.

**SOUTHEASTERN LOUISIANA AREA HEALTH  
EDUCATION CENTER FOUNDATION  
NOTES TO FINANCIAL STATEMENTS**

**NOTE A**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**DONATED GOODS AND SERVICES**

Under SFAS No. 116, organizations are required to recognize as revenue and related expense, services received if the organization would typically need to purchase the services if not received as donations. No amounts have been reflected in the financial statements for donated goods and services because there was either no objective basis available to measure their value or the value given was immaterial to the financial statements taken as a whole.

**REVENUE AND EXPENSES**

Support for SELAHEC is provided primarily by the Louisiana State University and Agricultural and Mechanical College acting on behalf of the Louisiana State University Medical Center (LSUMC), and by federal grants received either directly from federal agencies or passed through state and local governmental agencies.

Expenditures pertaining to the funding provided by LSUMC are to be made in accordance with a budget which has been adopted and made a part of the cooperative endeavor with LSUMC. SELAHEC is to be reimbursed by LSUMC for costs incurred in carrying out the provisions of the agreement.

For federal and state grants administered on a cost-reimbursement basis, revenue is recognized as expenses are incurred.

**AUTOS, FURNITURE AND EQUIPMENT**

Effective with the October 1, 1994 cooperative endeavor between LSUMC and SELAHEC, title to equipment purchased with these funds is to remain with SELAHEC. Prior to October 1, 1994, title to equipment purchased with these funds was to remain with LSUMC. Therefore, equipment purchased with funds provided by LSUMC during the fiscal year ended June 30, 2000 has been capitalized and recorded in the Statement of Financial Position. In addition, the costs of automobiles, furniture, and office equipment purchased with funds provided by federal award programs have been capitalized and recorded in the Statement of Financial Position. Acquisitions of property and equipment in excess of \$1,000 and an economic useful life greater than one year are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

**CASH FLOW INFORMATION**

SELAHEC considers all short-term investments with an original maturity of three months or less to be cash equivalents. SELAHEC did not make any cash payments for interest or income taxes during the year ended June 30, 2000.

**SOUTHEASTERN LOUISIANA AREA HEALTH  
EDUCATION CENTER FOUNDATION  
NOTES TO FINANCIAL STATEMENTS**

**NOTE A**

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**ECONOMIC DEPENDENCY**

Support for SELAHEC is provided primarily by appropriations from the Louisiana State Legislature via a cooperative endeavor with the Louisiana State University Medical Center (LSUMC). SELAHEC also receives grants through federal and state agencies. The continued operations of SELAHEC are dependent upon the renewal by these funding sources.

**ADVERTISING COSTS**

Advertising costs are expensed as incurred. Advertising expense totaled \$6,008 for the year.

**NOTE B**

**AUTOS, FURNITURE AND EQUIPMENT**

As of June 30, 2000, SELAHEC held the following assets:

Equipment - Medical/Educational	\$ 2,538
Equipment -- Medical/Educational -- Donated (Fair Market Value)	27,000
Office Equipment	73,324
Office Equipment - Donated (Valued at Fair Market Value)	<u>22,715</u>
	125,577
Less: Accumulated Depreciation	<u>(81,861)</u>
	<u><u>\$ 43,716</u></u>

All assets are depreciated using the straight-line basis over the estimated useful lives of the assets. Depreciation expense for the year ended June 30, 2000 totaled \$25,631.

The amount of equipment used in program and support services, but not capitalized as described in Note A above is as follows:

Furniture and Fixtures	\$ 8,037
Computer Hardware	15,794
Audio Visual Equipment	7,413
Office Equipment	7,371
Library Furniture and Fixtures	28,126
Computer Software	<u>2,308</u>
	<u><u>\$ 69,049</u></u>

**SOUTHEASTERN LOUISIANA AREA HEALTH  
EDUCATION CENTER FOUNDATION  
NOTES TO FINANCIAL STATEMENTS**

**NOTE C**

**RETIREMENT PLAN**

SELAHEC established an employer sponsored 403(b) Annuity Plan effective October 1, 1990 to provide retirement benefits for employees of SELAHEC and the payment of benefits to employees and their beneficiaries. The Organization's contribution was 7% of the employees' salaries during the year ended June 30, 2000. Additionally, an amount determined by resolution of the Board of Directors of SELAHEC may be contributed to the Plan. The contribution to the Plan for June 30, 2000 amounted to \$51,188.

**NOTE D**

**OPERATING LEASE AGREEMENTS**

SELAHEC leases office space under operating leases expiring in 2001.

Minimum future rental payments under these operating leases are as follows:

2001	<u>\$ 48,480</u>
------	------------------

Total rent expense incurred by SELAHEC was \$87,280.

**NOTE E**

**DEFERRED REVENUE - LSUMC**

The balance of Deferred Revenue - LSUMC reflected on the statement of financial position of SELAHEC pertain to advance funding provided by LSUMC for the costs associated with SELAHEC's Primary Care Elective Program.

Through SELAHEC's Primary Care Elective Program, medical students are placed in various health care facilities to complete their primary care elective. This elective requires students to provide health care services at the facility in which they have been placed. This program operates primarily during the months of June through August.

Students who participate in this program receive a stipend to cover costs such as travel and meals. In order to ease the cash flow burden required of SELAHEC during the months in which this program is effective, funding is requested throughout the contract year. This enables SELAHEC to have the cash available to pay the stipends to the participating students.

At June 30, 2000, SELAHEC had received approximately \$69,000 to fund the program. However, the actual amount of stipends earned by students pertaining to the 1999/2000 budget was approximately \$51,123. Thus, the remaining balance of approximately \$17,877 pertains to funding received to pay stipends, which will be incurred in July and August of 2000.

**SOUTHEASTERN LOUISIANA AREA HEALTH  
EDUCATION CENTER FOUNDATION  
NOTES TO FINANCIAL STATEMENTS**

**NOTE F**

**DEFERRED REVENUE - OTHER**

Deferred Revenue - Other consists of funds received but not earned as of June 30, 2000. These funds pertain to the following contract:

Migrant Clinic	<u>\$ 33,281</u>
----------------	------------------

For this contract, revenues are recognized as expenses are incurred.

**NOTE G**

**FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**NOTE H**

**CONCENTRATION OF CREDIT RISK**

As of June 30, 2000, the Organization has cash in one financial institution which exceeds the federally insured limit in the amount of \$173,235.

**NOTE I**

**SUBSEQUENT EVENT**

In November of 2000, the Organization's office of operations was destroyed by fire. Despite the loss of many documents and records, the Organization was able to continue operations at a temporary location several days after the fire. The Organization's accounting system was not lost due to a backup copy held offsite.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
For The Year Ended June 30, 2000**

**NOTE A**

**BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards includes the grant activity of **SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION** and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
**Southeastern Louisiana Area  
Health Education Center Foundation**

We have audited the financial statements of **SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION ("SELAHEC")** (a nonprofit organization) as of and for the year ended June 30, 2000, and have issued our report thereon dated October 25, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial statements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether **SELAHEC's** financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

In planning and performing our audit we considered **SELAHEC's** internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the Board of Directors, management, the Legislative Auditor of the State of Louisiana, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE  
TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors  
**Southeastern Louisiana Area  
Health Education Center Foundation**

**Compliance**

We have audited the compliance of **SOUTHEASTERN LOUISIANA AREA HEALTH EDUCATION CENTER FOUNDATION's ("SELAHEC")** (a nonprofit organization) with the types of compliance requirements described in the United States Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2000. SELAHEC's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of SELAHEC's management. Our responsibility is to express an opinion on SELAHEC's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about SELAHEC's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on SELAHEC's compliance with those requirements.

In our opinion, SELAHEC complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2000.

### Internal Control Over Compliance

The management of SELAHEC is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered SELAHEC's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing an opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to the major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance that we consider to be material weaknesses.

This report is intended for the information of the Board of Directors, management, the Legislative Auditor of the State of Louisiana, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
